Running

a tradition of quality

Miele has been a family-owned and family-run company since its inception in 1899. Managed today by the fourth generation of the Miele family, the company has been a pioneer in the field of premium home appliances ever since a butter churn inspired the design of its first ever washing machine in 1901.

Today, our pioneering research and development teams continue to lead the way in technological advancements to develop firsts in durability and design.

Miele continues to win the trust of consumers, seeking ways to improve your life. It will always be Forever better.

Miele Marine

For more than a century, Miele household appliances and professional products have been a benchmark of quality, reliability and environment-friendliness for markets throughout the world.

With Miele Marine we now offer the nautical sector a wide range of product categories for use on luxury yachts. Different models, sizes and power supply options fit perfectly to every special need onboard. Miele – Forever better. On land and at sea.

Washing machines

A patented honeycomb drum and spaceframe construction reveals our innovative approach as we continue to improve upon our best. Our 100 years of laundry expertise is reflected in the quality that offers you the ultimate in perfect washing performance.

No matter if you need a standard-size model or one of our large capacity professional washing machines you will always get nothing but the best laundry equipment available.

Tumble Dryers

We are here to make life easier for you, and nowhere is this more evident than with our fully electronic tumble dryers. When you demand maximum fabric care for your expensive garments, look no further than our top-of-the-range tumble dryers.

Even if you need a true commercial system that is used in dry cleaning facilities around the globe, select Miele appliances. Because everything else would be a compromise.

A marriage of aesthetics and quality

The built-in products by Miele

No matter how you want your kitchen or galley to look, Miele built-in appliances all match one another and are designed to fit perfectly together, so you can create a feeling of harmony to suit your preferences and tastes without compromising on shape and design.

Through the skilful combination of colours, shapes and materials, the design of the Miele built-in appliances plays a vital role in modern kitchen planning. With simple lines and characteristic design underpinning the entire range, Miele is blazing new trails.

Dishwasher

Designed to fit perfectly our dishwashers come in integrated or fully integrated models in widths of 45 and 60 cm. With a unique cutlery tray, a wide range of programmes and a very low water consumption, you will have a dishwasher that delivers excellent wash results each and every time.

Additionally you can choose between several commercial dishwashers. These models not only have excellent results with very high throughputs, but also provide a hygienic solution whilst being economical to run and gentle on the environment.

Ovens

With our wide range of ovens, you are simply spoilt by choice. From single multi-function ovens, combi-ovens, steam ovens to microwave ovens, you are sure to find a model to cater to your exact needs.

Whether you are cooking individual side dishes or a complete menu, there is virtually no limit to what can be cooked in a Miele oven.

Hobs / Combisets

Miele offers a selection of ceramic, induction and Combi-set models as well as niche options of tepan and gourmet grill. With this complete range you can choose the exact combination to suit your kitchen.

With a beautifully integrated hob we guarantee you'll enjoy stunning design and exceptional performance that is flexible to your needs.

Coffee Machines

When it comes to preparing coffee, we have the ideal solution. Our integrated coffee makers with Nespresso system or with bean grinder are designed to blend into your kitchen decor. These aesthetically pleasing machines provide the exact pump pressure and temperature to create the perfect cup of coffee at home or onboard.

Hoods

Create an eye-catching focal point in your kitchen with one of our beautiful integrated hoods. With a choice of widths of 60, 70 and 90 cm, you are free to create your own look and customise the style to your taste. You'll find dependable functionality in their powerful but quiet fans that keep the atmosphere in the room comfortable.

Fridges & Freezers

Create the perfect cool environment for your food and drinks with our integrated refrigerators. A diverse product range is available, which includes many of our high-end features such as StayFresh zones, Ice-makers, full electronic controls and frost-free freezer systems.*

* Features will vary from model to model

Wine Cellars

When you invest in fine wines, the correct storage conditions are crucial to preserve the wine quality you expect. Tempered glass shields your wine from harmful UV light and digital temperature controls ensure precise temperature in each zone to keep your wines in perfect condition. Our wine cellars are designed for the wine connoisseur in you.

Miele Service

Miele means peace of mind. Our experts provide competent consultancy during every planning stage: for the best possible use of space and in choosing the most appropriate product in terms of performance and size as well as any accessories and enhancements.

However, buying a Miele is only a start. Every purchase of a Miele Marine product includes the added bonus of lifetime support. Miele offers a technical service network in major ports throughout the world. In the unlikely event of a breakdown, our team of highly skilled Miele engineers will offer you the very best in service.
